**Yuvarlak/ Round:** 80x80cm - 100x100cm - 120x120cm - 150x150cm

**Oval:** 80x150cm - 120x180cm - 150x230 cm

**Şekilli Jüt / Shapes Jute:** 90x150cm - 120x180cm - 150x240cm

## MODERN JÜT

Jüt ürünlerinin doğal yapısı ve parlaklığının modernize edilerek estetik desenlerle bütünleşmesi, iç ve dış mekan dekorasyonlarınızda eşsiz bir alternatif olmaktadır. Modern baskılı jüt serimiz çift tarafı desenli olarak üretilmekte ve işlevsel bir kullanım olanağı sağlamaktadır.

Periyodik olarak halı yönü ya da eşyaların yeri değiştirilmelidir. Aşırı ağır ve sivri uçlar elyafları düzeltilemeyecek şekilde zarar görmesine yol açabilir.

Kesinlikle ağartıcı kimyasal içeren temizlik maddeleri (çamaşır suyu gibi) kullanılmamalıdır. Silme işlemi lekeyi dağıtmayacak bir şekilde olmalı; dairesel ve sert ovma işlemlerinden kaçınılmalıdır. Silerken uygulanacak sert ovma işlemleri iplerin büküm ve örgü formuna zarar verebilir. Temizlenen bölge tamamen kuruyana kadar üzerine basılmamalıdır.

## MODERN JUTE

By modernizing the natural structure and brightness of jute products, Integration with aesthetic patterns makes it a unique alternative in your indoor and outdoor decorations. Our modern printed jute series is produced with a double-sided pattern and provides a functional use.

Our Modern Jute series; Bohemian style jute rugs are distinguished from other jute rugs by meeting mystical patterns and being the only one in the world. Modern Jute Carpet, which has different patterns and sizes, easily adapts to any concept. It enlivens your home with its lively and colorfast colors.

Your carpet can be gently vacuumed with the brushless and soft tips of the vacuum cleaner. In order not to damage the carpet with heavy or sharp objects to be used on the carpet, felt-like tampon should be used on the feet of the goods.

## Джут

Современная печатная серия джут изготовлен с двойным боковым рисунком и обеспечивает функциональное использование. Наша Современная Джутовая Серия богемный стиль отличается от других джутовых ковров тем, что джутовые ковры встречаются с мистическими узорами и являются единственными в мире.

Оживляет ваш дом своими яркими и не выцветающими цветами. Ковер можно аккуратно подметать бесщеточными и мягкими концами пылесоса. Вытирание должно быть таким образом, чтобы оно не рассеивало пятно; следует избегать круговой и жесткой очистки.

Жесткая очистка, которая будет применяться при вытирании, может повредить форму скручивания и вязания нитей. Ковер не следует нажимать на него, пока он полностью не высохнет.

## ÇOCUK

Çocuk odası halılarımızı, kullanılacak alan hassasiyet ve özen isteyecek alanlar olduğu için Türkiye’de üretilebilen en üst kalite ve özelliklerde hazırlıyoruz. Üzeri mikrofiber malzeme tüylü dokulu, tabanı suni deri kaplamadır. Tabanı piyasada yaygın olarak satılan jel tabanlar gibi kırılma dökülme ve koku yapmaz.

Orta kısmında hem kalınlığı hem de konforu artıracak sünger malzememiz bulunmaktadır. Toplam ürün kalınlığı 12 mm dir. Ürünlerimizin en önemli özelliği sağlığa zararsız oluşudur.

## KIDS

Microfiber material on the base is artificial leather coating with hairy texture. The base does not break shedding and smell like gel bases widely sold in the market. In the middle part, we have sponge material that will increase both thickness and comfort. Total product thickness is 12 mm.

We produce a total of four quality in digital printing carpet type. It is our first quality that we specify its characteristics. For our other qualities, our summary information, measure and price table are listed below.

## Детский

Материал из микрофибры сверху-пушистая текстура, подошва искусственная кожа. В средней части у нас есть губчатый материал, который увеличит как толщину, так и комфорт.
